Day 4

Read Phillipians 4:13

Week | 02

Making peace makes you strong. It's true. But you need to remember that the strength comes from God. He is the one who will give you the courage to stop the fight or the strength to walk away. And when God is on your side, you can do anything!

Draw a picture of yourself with *HUGE muscles*. Then put an arrow on them that says **GOD** to remind you that you are super strong because God gives you strength!

*KNOW that God makes you strong!*

# GOD Time™

Day 1

Read Matthew 5:9

Week | 02

Some people may think that making peace is lame, but God says that peacemakers are better off than hot heads. Peacemakers usually have stronger friendships, live with less stress, and BONUS—they live like God says to. Remember that making peace doesn't make you weak; it makes you stronger.

Carry a puzzle **PIECE** in your pocket this week to remind yourself to make **PEACE** wherever you go.

*THANK God for blessing us when we make peace.*

Day 2

Week | 02

Read Psalm 37:37

People who pick fights all the time instead of learning to live in peace usually end up bitter, crabby people with few real friends. But as for peacemakers, God says they have a great future—one filled with contentment and good friends who can talk stuff out. Making peace doesn't make you weak; it makes your future brighter!

Using foil, make yourself into a **robot** and go around your house saying, "There is a future for a man—or woman—of peace."

ASK God to help you  
be strong this week and make peace.
